F↓ Al- F↓ though F↓ I [C] love you, in my [G7] own peculiar [C] way. C↓

It would be a [C] comfort just to [C] know you never [G] doubt me, [G]
 Even [G7] though I give you [G7] cause most every [C] day [C]
 Sometimes I [F] think that you'd be [F] better off [C] without me
 F↓ Al- F↓ though F↓ I [C] love you, in my [G7] own peculiar [C] way. C↓

Don't [C] doubt my love, if [C] sometimes my mind should [G] wander [G]
 To a [G7] suddenly remem-[G7]-bered yester- [C] day [C]
 Cos my [F] mind could never [F] stay too long [C] away from you
 F↓ Al- F↓ though F↓ I [C] love you, in my [G7] own peculiar [C] way [C7]

And though I [F] may not always [F] be the way you'd [C] have me be
 [C] And though my faults may [C] grow in number day by [G7] day. [G7]
 [G7] Let no-one [C] ever say that [C] I've ever [F] been untrue
 F↓ I'll F↓ al- F↓ ways [C] love you, in my [G7] own peculiar [C] way .C↓
