[G] [F] [C] [D-D7]

[G] Come and look at this old faded **[D]** photograph,
C// Honey tell me **D//** what it brings to **[G]** mind.
It's a **[G]** picture of that fifty-seven **[D]** Chevrolet,
I **C//** wish that we could **D//** ride it one more **[G]** time.

Now **[G]** I still get excited when I **[D]** think about
The **C//** drive-in picture **D//** shows you took me **[G]** to.
I **[G]** don't recall a lot about the **[D]** movie stars
C// Mostly that old **D//** Chevrolet and **[G-G7]** you.

Chorus:
C// They don't make **D//** cars like they **G//** used to **G7//**
C// I wish we still **D//** had it to-**G//**-day-ay **G7//**
The **C//** love we first **D//** tasted, the **G//** good love we're still **C//** living,
We **G//** owe it to that **C//** old fifty-**D//**-seven Chevro-**[G]**-let **[F] [C] [D-D7]**

Re-**[G]**-member when we used to park it **[D]** in the rain,
And **C//** listen to the **D//** country radi-**[G]**-o-o?
We'd **[G]** hold on to each other while the **[D]** singer sang,
We'd **C//** stay like that **D//** till it was time to **[G]** go.

Now it **[G]** makes me sad to think the "good old **[D]** days" are gone,
Al-**C//**-though our love is **D//** still that strong to-**[G]**-day
But the **[G]** world would have a lot more lovers **[D]** hanging on,
If they **C//** still made fifty-**D//-**seven Chevro-**[G-G7]**-lets.

Chorus:
C// They don't make **D//** cars like they **G//** used to **G7//**
C// I wish we still **D//** had it to-**G//**-day-ay **G7//**
The **C//** love we first **D//** tasted, the **G//** good love we're still **C//** living,
We **G//** owe it to that **C//** old fifty-**D//**-seven Chevro-**[G-G7]**-let

The **C//** love we first **D//** tasted, the **G//** good love we're still **C//** living,
We **G//** owe it to that **C//** old fifty-**D//**-seven Chevro-**G//**-let
We **G//** owe it to that **C//** old fifty-**D//**-seven Chevro-**G//**-let

We **G↓** owe it to that **C↓** old fifty-**D↓**-seven Chevro- **C↓↓↓↓**-let **G↓**
